

Overdale C P School

Admissions Policy

- Children can come into The Early Years Nursery on a part-time basis from the term after their third birthday.
- Children living in the school's catchment area can start in full-time education from the September of the school year in which they are five.
- There is the option to attend part-time from the September to December if individual children need this and this will be arranged by school staff.
- School does encourage children to be full-time as soon as possible.
- Children must be full-time from the January of the school year in which they are five.
- Parents/Carers of children who live outside our catchment area should discuss their needs with the Headteacher and contact the Local Education Office for advice but, priority will be given to children living within the catchment area.
- Governors have agreed that requests for a place for a particular child made by Children's Social Care, doctors or psychologists will be considered before other requests.

The NYCC Admissions Guidance is enclosed.
