Cashless School

We are moving forward to becoming a cashless school office. Where it is possible to use our online system, Parentpay, we are requesting that you do. Toast will remain as cash payment.

Information Sharing

We are moving to a more electronic version of communication so please ensure we have an up to date telephone contact

*Newsletters are created every half term containing information about all school events.
A text informs parents when newsletters are sent out and they are posted on our new website www.overdale.n-yorks.sch.uk*

We have been participating in many **Art competitions** recently and we all have our fingers crossed that we will have some winners amongst us here at Overdale School. The first competition we entered was for the **NASA 2018 Calendar**, the lucky winner will have their art work displayed on one of the months of the year. A copy of the calendar will also get sent to the International Space Station as well as being sold globally. Every child in school from Reception to year 6 took part and we sent 14 entries to represent Overdale School.

Our chosen entries were drawn by:

Harry Norton and Tia Hayhurst - Reception
Kieran Hughes and Grace Worrall - Year 2
Amy Cawkwell and Jayden Wood - Year 4
Nathan Cook and Amelia Smith - Year 6

Paige Tyson and Jaxson Clements - Year 1
Jack Clayton and Sedrah Farah - Year 3
Charlie Wright and Lily Hobson - Year 5

I am sure you will join me in wishing all these children the very best of luck. Come and take a look in the hall at the display of competition entries. Our KS2 children entered a second competition which was run by Primary Futures, who asked the children to draw a picture to show what they would like to do as a job in the future. All entries were submitted from Years 3 to 6, so again we wait in anticipation for the results to see if we have any winners.
