School Meals—New Price

From September 2018 the cost of school meals at Overdale School will increase to
£2.40 per meal (£12 per week).

The introduction of the National Living Wage has increased the cost of producing meals. We have also been told that the cost of meals will vary in different schools, depending on the individual circumstances of each school.

As a school we have been able to keep the price of lunches fixed at £2.10 since September 2010, despite rising costs throughout this period. Unfortunately, with reducing school budgets and increasing costs, this is no longer possible.

Please remember to pay by Parentpay for the week in advance.
School staff are not permitted to order any meals that have not been paid for and are not able to text / ring to remind parents.
