26th June 2020

Dear parent/carer,

We hope this letter finds you well. Please find below the outline for **Thursday and Friday (2nd and 3rd July)** when we will be welcoming Year 2 pupils into school. The aim of the week is primarily to support the transition of children from Year 2 into Year 3. With this in mind, your child will be taught by their current teacher as well as the teaching team they will have in Year 3. This means children will have the opportunity to say goodbye to their previous teacher and hello to the new one. If you have chosen not to send your child to school, we respect this decision and there will be no sanction for non-attendance. Any children who have not attended school will be able to collect the learning pack from Monday 6th July to support learning at home in preparation for children returning to school as a Year 3 pupil.

Throughout the week, the children will be taught in the hall as this allows us to maintain a suitable distance between each child. We will ensure children wash their hands regularly through the day and have procedures in place, outlined below, to support social distancing where possible. While social distancing **will be prioritised**, please be aware that we **CANNOT** guarantee your child will be 2m away from other children and staff at all times.

It is important that you are aware of the following information for next week:

- Please wear school uniform
- Do not bring anything into school – pens, pencils etc will be provided.
- Meals will be provided for children free of charge- please see the menu below. If lunchboxes are brought in, they will need to be sanitised in school, so please avoid this if possible.
- Personal drinks bottles will be available for each child throughout the day, please do not send in bottles from home.
- Unacceptable conduct or behaviour will result in your child being sent home to ensure the safety of others.

At the end of the week, each child will receive a home learning pack to continue their learning and preparation for Year 3 at home. If you have any questions or concerns relating to the plan, please let us know. We are available by telephone between 8am and 3pm on Friday.

Yours sincerely,
