

Overdale Community Primary School
Year 4 Spring Term 2 - 2021

<p>Literacy</p> <p>We are going to spend lots of time writing stories this half term, beginning with a fantastic wordless picture book called Journey. We will write the words to the story and then produce an e-book for other classes to enjoy. After that, we will use our narrative skills to develop our own story based in a fantasy world. We will use our reading and films such as Avatar to help us generate fantastic ideas for fantasy creatures and settings.</p> 	<p>Maths</p> <p>In maths we are learning to tell the time. We will be recapping how to read analogue clocks to the nearest hour, half hour and quarter of an hour before moving on to the nearest 5 minutes and then closest minute. We will also learn to read, write and convert time between digital and analogue on 12 and 24 hour clocks. Finally, will also convert time problems including converting minutes to hours and days to weeks. For the last few weeks we will be starting our fractions topic.</p> 	<p>Science</p> <p>What do all living things including animals and plants have in common? What types of animals and plants are living in Eastfield? How has our environment changed and what does this mean for the living things that live there? These are some of the questions we will be answering in science this half term.</p> 	<p>Computing</p> <p>We will use ICT programmes to help us to create our own multimedia presentation and produce, record and share our very own e-book based on Journey. We will also make our very own computer game based on dragons!</p> 
<p>Humanities</p> <p>We will look at the journey of a river and discover the most important rivers of the UK and how they have helped to shape the country. We will also have a look at the importance of Fairtrade fortnight and understand what Fairtrade means.</p> 	<p>The Big Question</p> <p>What might I see if I stepped into another world?</p> <p>Our class books</p>    		<p>PSHE</p> <p>How can we manage our feelings? We will learn to first identify our feelings and understand what is going on inside us when we have different feelings. We will then develop a 'Feelings Toolkit' to help us deal with our emotions.</p> 
<p>Art and DT</p> <p>Dragons! We will develop our sketching skills by carefully following instructions and adding our own twist to drawings of dragons. We will also use a range of collage materials to produce a picture of our very own dragon.</p> 	<p>PE</p> <p>For games this half term, we will get out as much as possible and learn how to play Tag Rugby too. For PE we will be learning dance moves and sequences from around the world.</p> 	<p>French</p> <p>In French, we will learn all about time including the days of the week and different seasons.</p> 	<p>RE</p> <p>In RE, we will learn about why some people find Jesus such an inspiring person.</p>
