

Overdale Community Primary School
Year 4 Summer Term 3 - 2021

<p>Literacy</p> <p>This half term, we begin with learning about play scripts. We will act out and then write our own versions for our Class story, James and the Giant Peach. We will also read, write and perform poems about food before trying to persuade other people to eat a healthy diet.</p> 	<p>Maths</p> <p>In maths we will continue to learn about fractions before moving on to finding out how fractions are similar to decimals. We will continue to learn our times table and division facts as well.</p> 	<p>Science</p> <p>In Science, we will learn about animals and humans. We will start with food chains and then move on to looking at teeth and their functions. Finally, we will explore the digestive and how it works.</p> 	<p>Computing</p> <p>We will learn about how to record information about the weather. We will design our own weather stations and then present a weather forecast.</p> 
<p>Humanities</p> <p>Can everyone in the world access a healthy, balanced diet? We will look to answer this question and find out the reasons why.</p> 	<p>The Big Question Why is what we eat so important?</p> <p>Our class book</p> 		<p>PSHE</p> <p>This half term, we will have the Creative Sparks team coming in to help us learn about our emotions and how to manage them. We will also consider how our choices can make a difference to others and the environment.</p> 
<p>Art and DT</p> <p>In DT, we will design and make moving bugs and develop and adapt our own healthy recipes to share with other people.</p> 	<p>PE</p> <p>For games this half term, we are very lucky to have a Cricket coach teaching us each week. For PE we will be raising our heart rates in circuit training.</p> 	<p>French</p> <p>In French, we will learn all about different types of fruit and our likes and dislikes, as well as discovering what a French breakfast may include.</p> 	<p>RE</p> <p>In RE, we will learn about the importance of Festivals in religious communities.</p>
