

Overdale Community Primary School
Year 5 Summer Term 2 - 2021

<p>Literacy Year 5 will be looking at writing an informative leaflet/brochure around famous Stone Age settlements (Skara Brae/Star Carr). This will support our understanding of our class text. Further on this term, Year 5 will be writing an array of poems to showcase their knowledge of the Stone Age as well as performing them as part of our speaking and listening expectations.</p> 	<p>Maths In maths, we will continue our work with decimals. As we move through the half term, we will be moving onto geometry – properties of shapes and position and direction.</p> 	<p>Science In science, this term, we are looking at working scientifically. We will be conducting some observational experiments to further develop our understanding of our prehistoric ancestors. We will be looking at materials and fossilisation.</p> 	<p>Computing In computing, Year 5 will be exploring the mediums animation and PowerPoint. We will be using this to research and present information around our history topic.</p> 
<p>Humanities In Humanities, Year 5 will be time travelling back into the prehistoric era to help us understand how the Stone Age Civilisation has impacted our modern day lives. We will become hunters, archaeologists, and geographers as we explore how the Stone Age settlements around Britain were made and what they have informed us about this primitive civilisation.</p> 	<p style="text-align: center;">The Big Question</p> <p style="text-align: center;">Do you think the Stone Age Civilisation has influenced our modern day lives?</p> <p style="text-align: center;">Our Class Text</p> 		<p>PSHE This term in PSHE, Year 5 will be looking at the question: “What jobs would we like?” We will be sharing ideas and opinions whilst listening to those of others.</p> 
<p>Art and DT In Art and DT, this term, we will be looking clay pottery, cave drawings and markings using charcoal, home-made paints, and canvas. We will also be feasting like a Stone Age Hunter and evaluating the nutritional value of this prehistoric feast.</p> 	<p>PE This term in PE, we will be practicing our hand and eye coordination skills with two talented sports leaders and learning how to play cricket and golf. We will also be looking at team games of rounders.</p> 	<p>French In French, we will be looking to learn the days of the week and different seasons. As well as recapping our numbers.</p>  <p>Music In Music, we will be continuing to use our music scheme – Charanga. Year 5 will be “reflecting, rewinding and replaying”</p>	<p>RE In RE, we will be looking at a key question. “Why is the bible important to Christians?” We will be part taking in whole class discussions.</p>
